

2010-2013 TOYOTA® 4RUNNER® LED GRILLE

FITS: (1) 20" SR-SERIES LIGHT BAR
(2) D-SERIES LIGHTS

EXCELLENCE IN INNOVATION™

Lights Sold Separately

RIGID's MAKE IT RUGGED!

This Rigid Industries Complete LED Grille Kit is designed specifically for the 2010-2013 Toyota® 4Runner® and allows for a clean, OE-quality install of Rigid Industries high output lighting. The upper grille accepts one (1) 20" SR-Series LED light bar and the lower accepts two (2) D-Series LED Lights (lights not included). These 2-piece grilles are made from laser-cut 304 stainless steel and are assembled using stainless steel button socket head bolts and nyloc nuts - no welds. It features a high quality black powder-coat finish. Installation requires modification to your OEM grille shell. We recommend professional installation.

LED Grilles also available for Ford®, Chevy®, GMC®, and Polaris® makes and models. More coming soon! For specific makes and models visit rigidindustries.com/led-grilles.
